Elevate wall panels are an innovative wall covering, guaranteed to add instant warmth and interest to any feature wall. Made from paulownia timber, this natural wood product features cracks, knots which add to its beauty.

Let your imagination go wild and apply Elevate beyond just walls. Add texture to a ceiling or highlight the space under an island bench. The simple DIY installation will transform any space into a feature.

*It's so easy!*

**IDEAL FOR COMMERCIAL AND RESIDENTIAL SPACES**

Upgrade your home interior easily with our peel and stick wall collections. Elevate wall panels are available in a variety of on-trend colours, so you can customise your home according to your own personal taste.

Warm up your living space with authentic peel and stick wood panelling, and you may never want to leave your home!
